

5 BRANCHES "LAMP SHADE" STAR CHANDELIER

5 BRANCHES "LAMP SHADE" STAR CHANDELIER

MOUNTING DIAGRAM

MOUNTING PROCEDURE

**Congratulations : you have just purchased
the 5 BRANCHES "LAMP SHADE" star chandelier ■
This system has been carefully manufactured by "TERRE D'HAUTANIBOUL" ■**

**If you should accidentally break one of the chandelier elements,
please remember that you can replace only that broken element ■**

**"TERRE D'HAUTANIBOUL" also makes suspensions, wall-mounted lamps,
as well as all artistic articles for the table, kitchen,
interior decoration, the kitchen and bathroom accessories assorted with
your DOUBLE "LAMP SHADE" chandelier system,
and in a wide range of other colors ■**

- 1 Get chandelier's branch back into the central connecting box.
- 2 Put the washer on the branch's screw.
- 3 Tighten firmly the nut on the branch's screw, maintaining the branch's notched ring in vertical position.
- 4 Repeat same steps for each chandelier's branch.
- 5 Screw the threaded shaft on the connection.
- 6 Position the cover on the central connecting box after get wires back in.
- 7 Screw the ball on the threaded shaft to maintain the cover on the central connecting box, being careful to stop screwing as soon as the ball is in contact with the cover so as not to damage or break the ceramic section.
- 8 Attach the 3-screw clips on each light shade.
- 9 Unscrew the ring and thread the rod in the ceiling cap.
- 10 Rescrew the ring on the rod and suspend it using your ceiling hook.
- 11 Connect the chandelier wires in the plastic connecting box with the wires of your installation.
- 12 Fix the ceiling cap to your ceiling being careful to stop screwing as soon as the ceiling cap is in contact with the ceiling so as not to damage or break the ceramic section.
